## DOING BUSINESS IN AIFC

**WE**

West East Legal

WE is a young but rapidly growing law firm founded in 2018 by a team of enthusiastic lawyers. We have extensive experience in providing legal advisory services in corporate law and private equity with the involvement of international jurisdictions and without them. There is also significant experience in conducting a full cycle of M&A, including Due Diligence of companies and assets.

Working across a wide range of industries and practice areas, including finance, corporate and commercial law, mergers and acquisitions, our lawyers understand client needs and provide commercially oriented consulting.

Our goal is to make the complex requirements and nuances of Kazakh law easy to understand so that our clients can fully focus on their business strategies.

WE advise in the field of regulatory regulation and company structuring, accompany licensing and other activities of companies, corporate reorganization and restructuring, attraction and structuring of investments, effectively represent clients in commercial disputes, etc.
